A woman with her hair in a bun, wearing a bright yellow shawl over a white dress, is walking barefoot in a courtyard. She has her hands clasped in a prayerful or reverent gesture. The courtyard features several arched niches in a light-colored stone wall. Two ornate, dark metal lanterns are mounted on the wall, and one is on the ground. In the foreground, there is a shallow, rectangular pool of water. The overall atmosphere is serene and contemplative.

"My mission in life is not merely to survive, but to thrive and to do so with some passion, some compassion, some humor, and some style."
